DISCREET & CONVENIENT TEETH STRAIGHTENING

*“Your Oral Health
Is Our Priority”*

COMFORTABLE:

Custom-made for each individual, Invisalign aligners ensure a comfortable and snug fit, eliminating the potential for irritation or discomfort associated with traditional braces.

PREDICTABLE RESULTS:

Invisalign uses advanced digital technology to create a step-by-step plan for teeth movement, allowing individuals to visualize expected results before starting treatment for a predictable and controlled approach.

INVISIBLE APPEARANCE:

Invisalign offers a virtually invisible appearance due to its clear and transparent aligners, allowing individuals to undergo orthodontic treatment discreetly.

SHORTER TREATMENT:

In some cases, Invisalign may offer a shorter treatment duration compared to traditional braces, thanks to precise and personalized treatment plans.

REMOVABLE:

Invisalign aligners are removable, providing flexibility in eating and facilitating easier oral hygiene practices by allowing individuals to take them out for brushing and flossing.

IMPROVED ORAL HEALTH:

Being able to remove the clear aligners when necessary makes it easier to practice good oral hygiene like brushing and flossing. This can lead to a cleaner, healthier mouth and cut down on additional issues like mouth sores, cavities, bad breath, and tooth decay.

BONAVISTA CARES

Bonavista Cares is a community-based organization of families and neighbours committed to helping others.

Embracing that fall feeling? Bonavista Cares and Parkland Cares have many upcoming opportunities to reach out and help others.

We had a very productive planning meeting in September. There were lots of great ideas and helping hands.

Thank you for the recent support, Bonavista; we received beautiful handwritten thank you cards from the students who received backpacks with new school supplies. As well, we donated 200 pounds of fresh veggies to the Calgary Food Bank after a bountiful harvest!

December

- Adopt-A-Family Christmas Gifts (lead by Parkland Cares).
- Collecting grocery gift cards for local schools to support families in need.

New Year/Spring

- January/February: Basically Babies - building layettes for mothers in need. Collection and volunteer opportunity.
- March: Volunteer opportunities with Brown Bagging for Calgary Kids.
- April: Birthday Bags for the Calgary Food Bank.
- June: Accepting Parade of Garage Sale donations to support initiatives.

Drop off locations at Lake Bonavista Community Association and Park 96. Reach out to us for more information or if you have ideas for making great community connections.

Volunteers needed

Lake Bonavista Adopt-A-Rink

Adopt-A-Rink is a City of Calgary program that provides materials to build a pleasure rink in local communities. The rink is independent of the LBCA and operated by trained volunteers. The LBCA supports the rink with water supply, outdoor seating & storage. Volunteers build and maintain the rink, shovel snow off the rink and carry out routine hose floods.

The LBCA is looking for a team of volunteers to oversee the building and maintenance of the Lake Bonavista rink for the winter season.

If there are not enough volunteers the rink will not operate.

The rink will be located beside the Field House/Community Garden,
1715 Lake Bonavista Drive

It's Christmastime in Calgary

by Garth Paul Ukrainetz

It's Christmastime in Calgary
In foothills west a silent night
The constellations fill the sky
Forever sharing starry light

The whitetail deer in Nose Hill Park
Prancing over city's glow
Sweet homes of dancing candlelight
Gentle as the falling snow

And high on top of every tree
The stars and angels overlook
For bleak and icy winter hearts
The melting grace of warm chinook

It's Christmastime in Calgary
Though heights of mountains cold in snow
Our gifts stay warm beneath the trees
Wrapped with love by River Bow

Building a Brighter Alberta: Progress Update for 2024

As we close out 2024, the Government of Alberta is making strong strides to improve affordability, strengthen essential services, enhance community safety, and protect the rights of Albertans. Here's a look at some key achievements from this year.

Affordable Housing and Education Expansion

Alberta is on track for a record year in housing, with nearly 30,000 new homes under construction from January through August—an impressive 44% increase over 2023. In education, the School Construction Accelerator Program (SCAP) is investing \$8.6 billion to create 200,000 new student spaces across the province, preparing for Alberta's growing K to 12 student population.

Healthcare Improvements

To better recruit and retain healthcare professionals, Alberta has introduced a competitive compensation package for resident physicians. As a result, the province had over 12,000 registered doctors by the end of September, a gain of more than 500 compared to last year.

Protecting Alberta's Energy Sector

In defense of Alberta's jobs and energy future, the government has launched a national "Scrap the Cap" campaign to raise awareness of the potential impacts of Ottawa's proposed cap on energy production. This campaign encourages Canadians to speak out against this plan and support Alberta's position.

Looking Ahead

The Alberta Government remains committed to building a strong, prosperous future for all residents. By focusing on affordability, essential services, and defending Alberta's energy sector, we're laying the groundwork for a thriving province for generations to come.

As the year wraps up, and we enter into the holiday season, I want to wish you all a Merry Christmas, and a bright New Year filled with joy, health, and happiness! May this spiritual season bring warmth to your heart and peace to your home.

If you have any questions or input, please feel free to reach out to my office anytime at Calgary.FishCreek@assembly.ab.ca.
