Independent Auditor's Report

To the Members of the

Report on the Audit of the Financial Statements

Opinion

I have audited the Statement of Financial Position of the Lake Bonavista Community Association as at June 30, 2024 and the Statements of Operations, Net Assets and Cash Flows and a summary of significant accounting policies and other explanatory notes for the year then ended.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Lake Bonavista Community Association as at June 30, 2024 and the results of its operations and cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

I am independent of the Lake Bonavista Community Association in accordance with the ethical requirements that are relevant to my audit and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Management's Responsibility

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations and for such internal control as management determines necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Lake Bonavista Community Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting.

Auditor's responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Canadian auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, concluding on the appropriateness of management's use of the going concern basis of accounting as well as evaluating the overall presentation of the financial statements.

I communicate with those charged with governance regarding the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that I identify during my audit.

Calgary, Alberta November 20, 2024 Heidi Brauer CPA Chartered Professional Accountant

1. NATURE OF THE ORGANIZATION

The Lake Bonavista Community Association (the "Association) was incorporated under the Societies Act of Alberta on February 6, 1970, to acquire lands and provide a building for social and community activities, to encourage and promote amateur games and exercises and to provide a meeting place for the consideration and discussion of questions affecting the interests of the community.

The Association was registered as a charity and is exempt from income taxes as long as it maintains its charitable purpose.

2. SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with Canadian accounting standards for not for profit organizations. The significant accounting policies are as follows:

(a) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, balances with banks and short term deposits with original maturities of three months or less.

(b) Revenue Recognition

Donations are recorded as revenue when received.

The Association follows the deferral method of accounting for contributions. Externally restricted contributions are recognized as revenue in the year in which the related expenses were incurred. Unrestricted contributions are recognized as revenue when received or receivable, if the amount to be received can be reasonably estimated and collection is reasonably assured.

Operating revenue and expenses are recorded on the accrual basis.

(c) Inventories

Inventory consists of staff clothing and is valued at the lower of cost and net realizable value with the cost being determined on a first-in first-out basis.

NOTES TO THE FINANCIAL STATEMENTS

(Audited)

June 30, 2024

(d) Property and Equipment

Property and equipment are recorded at cost and amortization is provided in the accounts at rates designed to amortize the cost of the capital assets over its estimated useful life. Amortization is provided at the following annual rates on a straight-line basis:

Recreation centre and ice plant - 5%
Field house & community entrance sign 4%
Mechanical equipment - 5%
Other equipment and tools - 10%, 20%

Used vehicle, office equipment, community

garden and computer software - 20%

(e) Deferred Capital Contributions

Deferred capital contributions represent funding or donations received to assist in the purchase of property and equipment. This funding is being amortized to income on the same basis as the related capital asset is amortized and expensed.

(f) Contributed Services

A substantial number of volunteers have made significant contributions of their time to develop the Association's programs and carry out its activities. The value of this contributed time is not reflected in these financial statements.

(g) Financial Instruments

Measurement of Financial Instruments:

The Association initially measures its financial assets and financial liabilities at fair value. The Association subsequently measures all its financial assets and financial liabilities at cost or amortized cost. Changes in fair value of these financial instruments are recognized in net income. Financial instruments measured at amortized cost include cash, investments, accounts receivable and accounts payable.

Financial Risk:

It is management's opinion that the Organization is not exposed to significant interest, currency, price, market or credit risks arising from these financial instruments.

(h) Donated Goods

The Association receives goods donated by individuals and businesses who assist the organization in achieving its mission. Donated goods are recorded at cost if a value could readily be established and the goods would have otherwise been purchased.
