— WARD 14 —

Rooted in Community

Hello Ward 14!

By the time this edition of the Great News community newsletter hits your mailbox, we will hopefully have recovered from all those mini donuts we consumed, the pain and suffering from those cowboy boots that get dusted off once a year, and worked off all those community Stampede events. I want to issue a special thank you to all the volunteers that helped make this annual right of passage here in Calgary a success. It was one to remember. Now we are three months away from the 2025 civic election on October 20th. Please mark your calendars.

I want to take a moment and thank everyone who expressed their appreciation for putting my name forward to be your next Ward 14 Councillor. As the last 10 years have taught me, your support and appreciation are what makes serving the residents of Ward 14 so enjoyable and together we will take the next step, ensuring Ward 14's continued profile as the city's best ward.

Over the next few months, I hope to connect with those of you who don't know me or what I have been doing for the Ward over the past decade as community assistant. I will be hosting several "chat with the candidate" pop up events throughout the ward, so watch for these dates on your community socials or on my website at www.devinelkin.com. These are designed for those that are not overly comfortable with people coming to their doors but are still interested in knowing what's what. I will be available for a few hours in each location and will have a white 10x10 tent set up. I am looking forward to having some great conversations with you all.

I hope you all survived Stampede and have some great plans for the rest of the summer.

Please take the time to visit www.devinelkin.com where I have outlined why I believe I am ready to be your next city councillor and what 10 years of public service has taught me.

Thank you all for loving where you live and caring about Ward 14's future.

For Ward 14 Councillor

☎ 403-930-4391

✉ info@chima4ward14.ca

chima4ward14.ca

Dear Neighbour,

I'm excited to share this with you: I'm running for City Council in Ward 14.

This decision comes from a deep passion to serve and a belief that leadership means listening, understanding, and acting in the best interests of the people, not chasing power or succession.

I'm a graduate of SAIT in instrumentation engineering. I've served as VP External of the Athabasca University Students' Union and serve as Technology & Digital Safety Ambassador. I've had the privilege of serving as a student advocate at both the provincial level with the Council of Alberta University Students (CAUS) and at the federal level with the Canadian Alliance of Student Associations (CASA). Through these roles, I sat on policy and budgeting committees where I worked to ensure student voices were heard and their needs prioritized.

As Director of Volunteerism at the Calgary Legacy Community Association, I help organize events that build connection and community. I also volunteer with the Calgary Igbo Community Association at the Drop-In Centre, supporting unhoused individuals with essentials and encouragement.

I founded VEROROSE INC., a support agency for people with disabilities, and work at a harm reduction centre, helping people with disabilities and mental health challenges rebuild their lives.

I'm running as an independent candidate with conservative values. I'm for the people, here to serve and willing to work with anyone who puts Ward 14 first. Our city should serve residents, not political interests.

As your neighbour, I share your concerns about blanket rezoning that ignores local realities, property tax hikes, infrastructure strain, and loss of neighbourhood character. If elected, I'll push to repeal those policies and protect what makes our ward a great place to live.

I believe in service, transparency, and trust. As a husband, father of three, and Knight of the Catholic Church, I bring compassion, accountability, and empathy to public service.

Every resident deserves safe streets, basic infrastructure, and leaders who listen. That's what I'll fight for.

This campaign is about all of us; our families, our businesses, and our shared future. I'm ready to work hard for Ward 14 and make our voices count.

Sincerely,
Chima Akuchie

Alberta Builds a Stronger Future with Historic Investment and Physician Growth

Alberta is making significant progress on two key fronts: securing long-term financial stability and strengthening health care. The province’s Heritage Savings Trust Fund has reached a record high of \$30 billion, thanks to a \$2.8-billion contribution from surplus funds. This marks a major milestone in Alberta’s plan to grow the fund to \$250 billion by 2050—a strategy aimed at creating a reliable, long-term source of funding for essential public services, including health care and education.

The Heritage Fund, originally created to save non-renewable resource revenue, is now a central part of Alberta’s roadmap to a prosperous and resilient future. By reinvesting income and accessing global investment opportunities through the newly modernized Heritage Fund Opportunities Corporation, Alberta is taking strategic steps to build wealth that will benefit future generations. Once the fund reaches its \$250 billion goal, the income it generates will help stabilize the budget, support infrastructure, and keep taxes low.

At the same time, Alberta’s physician workforce is reaching record levels. As of June 30, 2025, there is a total of 12,327 physicians registered in the province—204 more than the previous quarter and 571 more than last year. This growth includes gains in both urban and rural areas, with a notable 8% increase in the North Zone.

These investments in financial security and health care reflect Alberta’s commitment to building a strong, sustainable future—where families thrive, communities grow, and core services are there when people need them most.

DISCREET & CONVENIENT TEETH STRAIGHTENING

*"Your Oral Health
Is Our Priority"*

COMFORTABLE:

Custom-made for each individual, Invisalign aligners ensure a comfortable and snug fit, eliminating the potential for irritation or discomfort associated with traditional braces.

PREDICTABLE RESULTS:

Invisalign uses advanced digital technology to create a step-by-step plan for teeth movement, allowing individuals to visualize expected results before starting treatment for a predictable and controlled approach.

INVISIBLE APPEARANCE:

Invisalign offers a virtually invisible appearance due to its clear and transparent aligners, allowing individuals to undergo orthodontic treatment discreetly.

SHORTER TREATMENT:

In some cases, Invisalign may offer a shorter treatment duration compared to traditional braces, thanks to precise and personalized treatment plans.

REMOVABLE:

Invisalign aligners are removable, providing flexibility in eating and facilitating easier oral hygiene practices by allowing individuals to take them out for brushing and flossing.

IMPROVED ORAL HEALTH:

Being able to remove the clear aligners when necessary makes it easier to practice good oral hygiene like brushing and flossing. This can lead to a cleaner, healthier mouth and cut down on additional issues like mouth sores, cavities, bad breath, and tooth decay.
